RRP £1499

**SAVE  
£300**

## BBQ Care Top Tips

KEEP YOUR BARBECUE PERFORMING AT ITS BEST WITH A LITTLE REGULAR CARE AND MAINTENANCE

- **Clean after every cook** – Once your BBQ has cooled slightly, brush the grills to remove food residue and grease. You can also turn the BBQ up for a few minutes after cooking to help burn off leftover fats before brushing clean.
- **Empty and check regularly** – Empty the drip tray often to reduce grease build-up and flare-ups, and check gas hoses and connections for wear, cracks or leaks, especially before the first use of the season.
- **Protect your BBQ** – Use a fitted BBQ cover when not in use to help protect it from rain, dirt and everyday wear, and always store gas bottles safely according to the manufacturer's guidance.
- **Deep clean seasonally** – Give your BBQ a thorough clean at the start and end of the season, including grills, burners, drip trays and outer surfaces, using BBQ-safe cleaners and soft cloths to avoid damage.

## Outdoor Furniture Care Guide

KEEP YOUR GARDEN FURNITURE LOOKING ITS BEST THIS SUMMER. EXPERT ADVICE FROM OUR TEAM, BECAUSE GREAT GARDENS DESERVE FURNITURE PROPERLY KEPT.

**ASK OUR TEAM IN-STORE FOR THE RIGHT CARE PRODUCTS**

- 1. Protect** - Cover or store furniture during prolonged heavy rain and avoid leaving pieces on wet grass overnight.
- 2. Clean** - Wipe down regularly with mild soapy water and we advise not to use bleach-based cleaners.
- 3. Maintain** - Check fixings each season, addressing any wear promptly and touch up coating chips.

### TEAK CARE

- Wipe down with soapy water after dusty spells
- Silvering is natural — re-oil to restore warmth
- Avoid pressure washing

### METAL CARE

- Keep clear of wet grass to prevent staining
- Touch up any coating chips
- Wipe dry after heavy rain

### RATTAN CARE

- Brush weave clear of debris regularly
- Clean with mild detergent and soft brush
- Avoid leaving saturated in heavy rain

### CUSHION CARE

- Bring in during prolonged heavy rain
- Turn regularly to even any fading
- Spot clean with non-bleach solution
